

# Awards Ceremonies 2011 - 12

---

## LEAVERS' CELEBRATION 2011

This event has become one of the highlights of the Tiffin year as it celebrates the outstanding achievements of our students. All leavers were recognised, with special acclaim going to those whose efforts and ability allowed them to be awarded prizes. Once again, the breadth of the School's curriculum was demonstrated by the variety of honours bestowed.

The late withdrawal of our guest speaker meant that Miss Clarke stepped in to deliver the oration. Her speech drew attention to the material improvements in facilities

made possible by the generosity of the families of alumni, the value and exceptional quality of our extra-curricular activities and the remarkable academic achievements of Tiffin students. The Staff were thanked for the care and attention they give to the students' all round education, and the support of parents was gratefully acknowledged. Miss Clarke finished with a display of her historian colours by referencing the end of year report written by the then Headmaster Charles Grist in 1886. This demonstrated a remarkable continuity in the values and aims of Tiffin School.
